

LIVING SPACES

MASCULINE + FEMININE DECOR CATALOG

Do you gravitate towards dark, rugged masculine spaces, or light and soft feminine rooms?

masculine + feminine

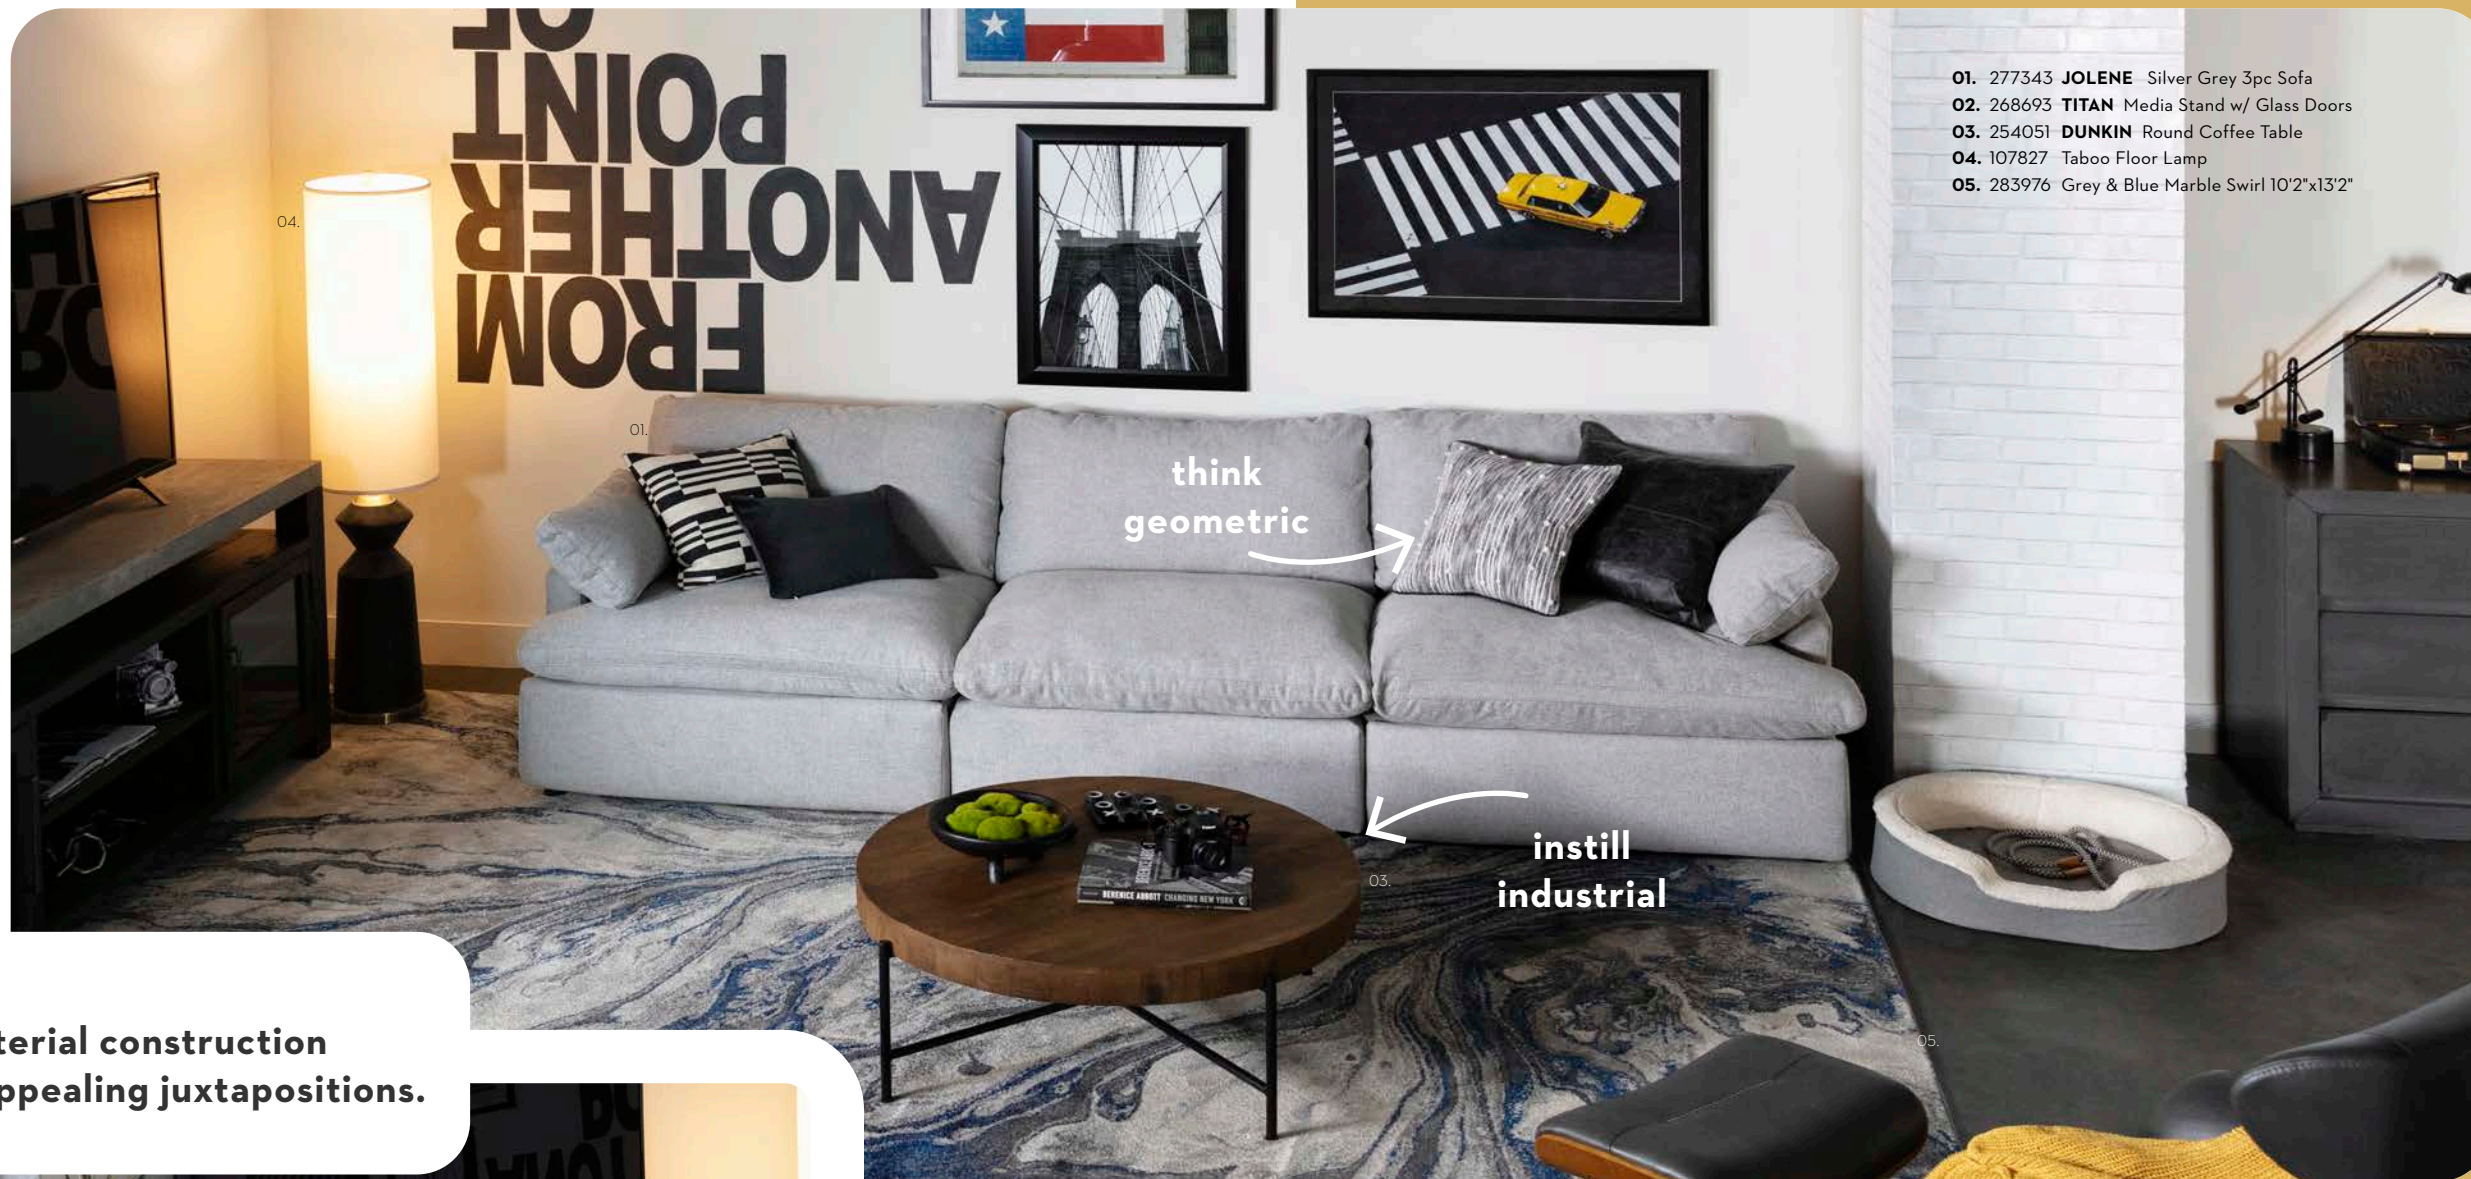

Our homes are sacred places where we express our truest and deepest selves through design and décor. You have the freedom to create the vibe, set the mood and bring your vision to life with pieces that capture your spirit. In this catalog, we're exploring what it means to be masculine or feminine in your space, and how exactly to achieve the look and feel that reflects you.

01. 252445 TITAN Dining Table

- 05. 283976 **Grey & Blue Marble Swirl** 10'2"x13'2"

Mixed material construction showcases appealing juxtapositions.

graphic design

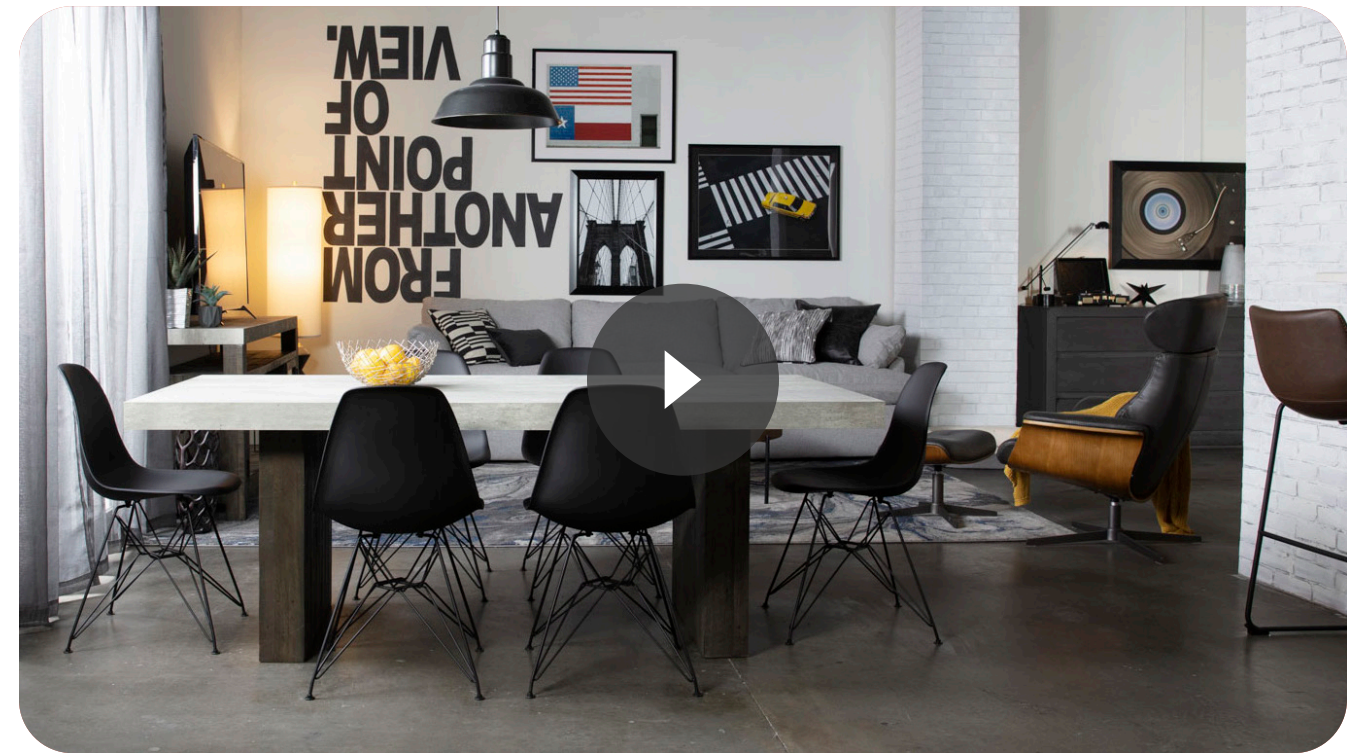

There's an edgy allure that permeates masculine spaces, which tend to have that effortlessly cool and relaxed essence. Creating a loungy, laidback hangout is what it's all about, and low-profile, low-maintenance seating plus graphic elements offer the right balance of carefree character mixed with thoughtful details.

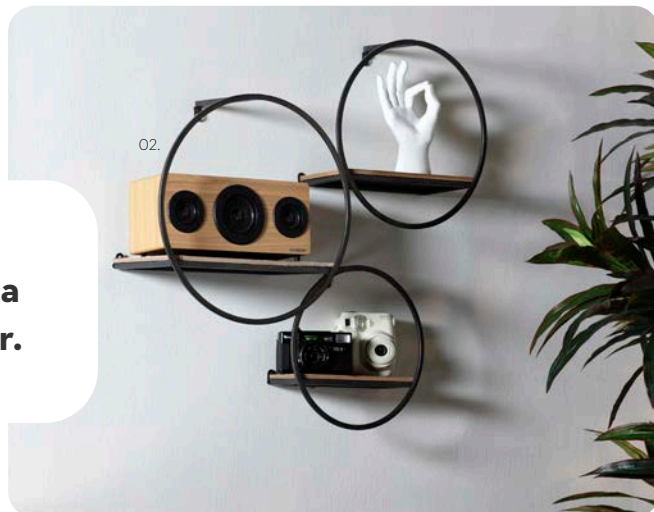

01. 208605 **AMALA** Dark Grey Leather Reclining Swivel Chair w/ Adjustable Headrest & Ottoman
 02. 260101 Wood & Metal Wall Shelves 3pc Set

recline + unwind

Embrace a moodier palette and follow your streamlined sensibilities.

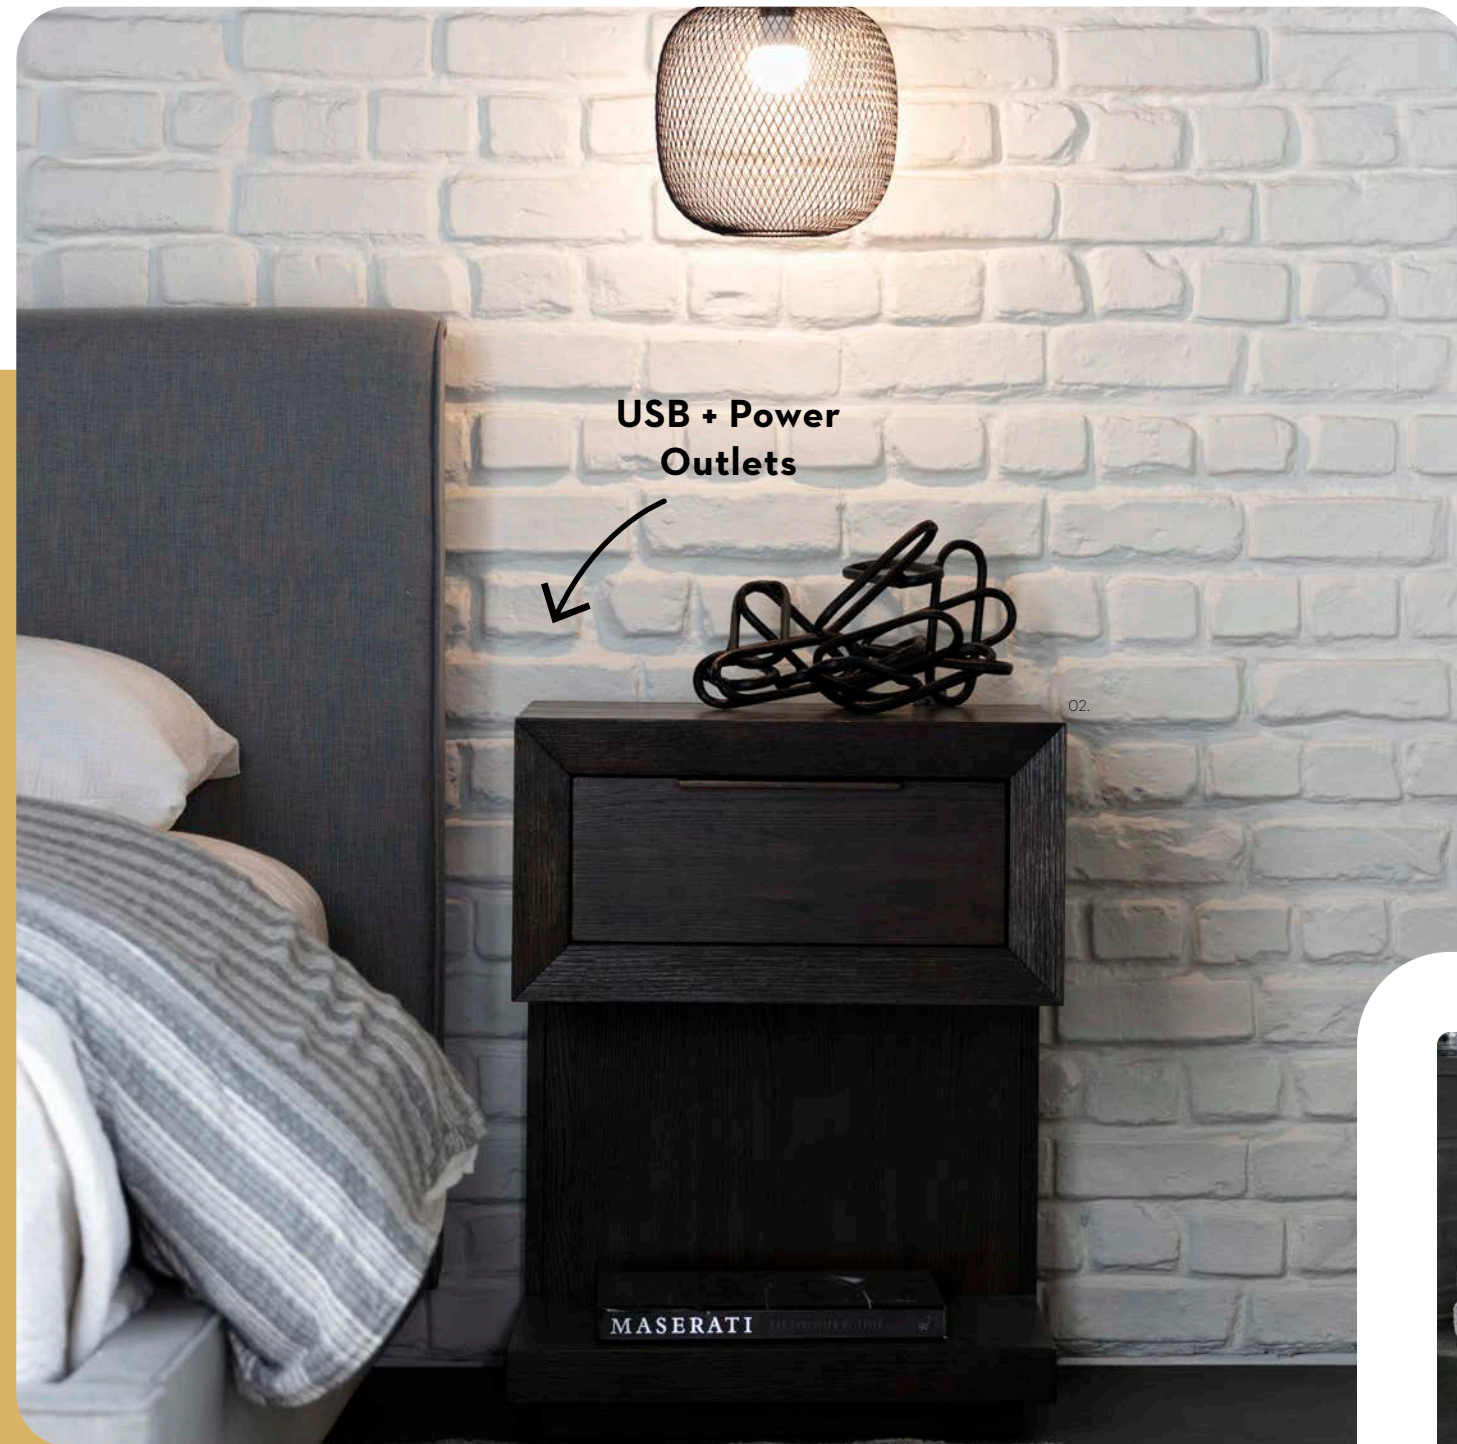

..... **Unique shelves stage a dynamic display of décor.**

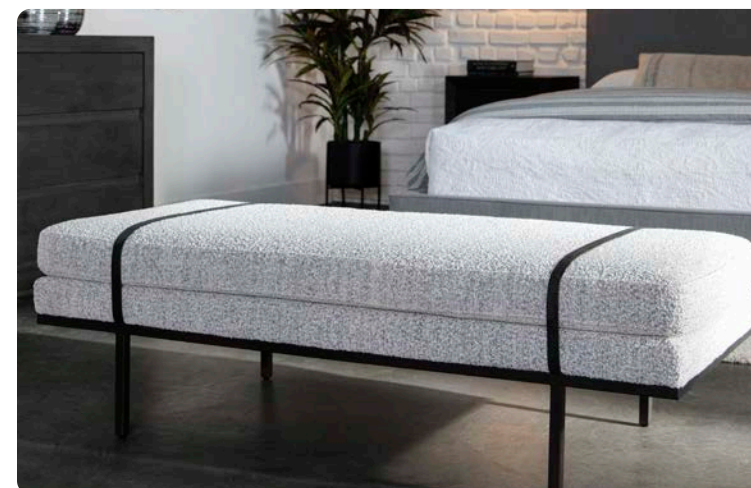

smooth operator

The more minimalist your pieces, the more masculine your spaces.
Paired with darker finishes, they look especially handsome.

01. 102221 **DEAN** Charcoal Queen Upholstered Panel Bed
02. 207986 **PIERCE** Espresso 1-Drawer Nightstand w/ USB & Power Outlets

Keep things simple,
