mirror allure

Let your storage shine with a dresser that's dressed to the nines. A reflection of Art Deco inspiration, this pretty piece boasts mirrored features, which are highlighted by bold overlays and moldings in a metallic finish.

You'll love keeping clothes, jewelry and accessories hidden here, where they get the display they deserve. Crystal knobs are the ultimate finishing touch, adding elegance and extravagance.

PEAK OF CHIC

who's the boss?

The executive suite is looking a lot sweeter thanks to designs that bring sophistication and grace to the office. For a distinctive, distraction-free environment, consider the beauty and simplicity of a glass desk with classic sawhorse-style brushed nickel legs.

The perfect chair pair? Try a striking seat complete with luxe velvet upholstery, pretty pleating and a chrome-plated metal base that features casters, plus gas lift and tilt lock functions.
