

LIVING SPACES

DINING CATALOG

**Dining season is upon us,
which means it's time to
create an inviting space that
friends, family and honored
guests won't forget. Dig into
styles you'll love at prices
you can actually afford.**

As a completely sensory experience, dining can be elevated by the thoughtful use of materials and textures in your space. Go for designs that complement your style and provide the perfect foundation for every occasion.

01. 269269 **TITAN** Buffet
02. 252450 **TITAN** Dining Side Chair

feast your eyes

Through the durable and distinctive blend of concrete veneer and reclaimed pine, our Titan dining collection achieves striking appeal. Modern material marvels, each piece brings warmth and sophistication to your setting. There are even chair and bench seating options, plus a coordinating storage buffet.

keep it simple

When in doubt about the design of your dining room, keep it as simple and streamlined as possible. You can't go wrong with a welcoming round table and crisp, modern side chairs that add flair and function to any occasion. Whether you're enjoying breakfast, lunch or dinner, this set will make every meal feel special.

Clean lines and intriguing angles make this seat a standout piece.

Legs
for days

01. 244305 ROGERS 5pc Dining Set
02. 244307 ROGERS Dining Side Chair

clean slate

A charming dining set like this is versatile enough to lean casual or formal, so you can dress up or dress down depending on the event. With these farmhouse-inspired designs, it's super easy to get cozy.

01. 267444 **CHELAN** Extension Dining Table
02. 269993 **WADE** Dining Side Chair

This stunner is inspired by
the iconic Windsor chair.

Add va va voom to your dining room with a chic mix-and-match situation.
