HOME DÉCOR CATALOG

shelf showcase

Decorative touches are like jewelry, allowing a space to sparkle.

- 01. 261048 Wall Decor Half Circle Gold Trim Shelf
- 02. 252226 Black Arch & Oak Mirror

clean slate

A room without décor is like a sentence without adjectives - seemingly empty and devoid of personality. We use a variety of meaningful accessories to bring the story of you and your space to life. They may seem minor in comparison to main character furniture, but the supporting cast is just as important in establishing an overall vibe.

wall together now

When it comes to decorating a space, your walls present one of the most enticing opportunities to spice things up. There are a myriad of ways to excite and delight, from hanging art that moves you, to using a mirror, clock or shelf that instills dimension and distinction.

down to earth

You can maintain your connection to nature both indoors and out with planters that allow you to enliven your surroundings. Using greenery here, there and everywhere will be a breath of fresh air, and vessels like these are the perfect source of inspiration for propagation.
