MODERN MINIMALIST CATALOG

the beauty of simplicity

Living in a world of constant overstimulation leaves many of us craving the comfort of minimalism. Filling our spaces with only the most essential and meaningful pieces allows us to focus on what's truly important: a home that makes us and our loved ones feel warm and welcome. Modern minimalist style prioritizes form and function above all, so we're highlighting our most simple and beautiful collections.

- 02. 101626 **STRATUS** Coffee Table
- 03. 256614 **CARA** White Leather Swivel Accent Chair
- 04. 277045 **ARLO** Room Divider Bookcase

the concept of negative space allows you plenty of breathing room, so be sure to resist the urge to decorate every nook and cranny.

Approaching design from a modern minimalist perspective means only using the most treasured and purposeful pieces.

fall in line

You can't discuss modern minimalism without mentioning the importance and prevalence of clean lines. Most designs within this style category feature all the right angles in all the right places, plus they boast squared off and rectangular shapes that create neat, tidy forms. To soften up those hard edges, you can employ layers of blankets and pillows in neutral hues.
