ASSEMBLY STEPS

STEP 1

The Catarina Modular Sectional has a set of locking devices which is a Triangle Post and Alligator Clip pre-installed underneath. Before assembling each section, make sure to turn the clip outward as shown in the sketch below.

STEP 2

Place the sections side by side, and line up their backs. Push the fork section into the triangle post until you hear a snap. This indicates that the sections are connected. Note, when you push and don't hear a sound, that means the fork missed the post. Pull the fork section back out and try again, making sure the back sections of the sofa are lined up.
